To: The Shareholders of
Food Empire Holdings Limited

Dear Sir/Madam

1. INTRODUCTION

- 1.1 The Directors are convening an EGM to be held on 22 April 2016 to seek Shareholders' approval for the proposed renewal of the share buyback mandate (the "**Proposal**").
- 1.2 The purpose of the Circular is to provide Shareholders with information relating to the Proposal.

2. PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

2.1 Background

At the 2015 EGM, the Shareholders had approved, *inter alia*, the renewal of a mandate to enable the Company to purchase or otherwise acquire its issued Shares (the "**Share Buyback Mandate**").

The Share Buyback Mandate will expire on the date of the forthcoming Annual General Meeting (the "**AGM**") to be held on 22 April 2016 immediately preceding the EGM. Accordingly, the Directors propose that the Share Buyback Mandate be renewed at the EGM immediately following the AGM.

2.2 Rationale for Share Buyback Mandate

The rationale for the Company to undertake the purchase or acquisition of its issued Shares is as follows:

- (i) The proposed Share Buyback Mandate will give the Directors the flexibility to purchase or acquire its issued Shares during the period when the Share Buyback Mandate is in force, if and when the circumstances permit;
- (ii) Share purchases or acquisitions may, depending on market conditions and funding arrangements at the time, allow the Directors to better manage the Company's capital structure with a view to enhancing the EPS and/or net asset value per Share; and
- (iii) Purchases or acquisitions of the Shares may, in appropriate circumstances, also help mitigate short-term market volatility in the Company's share price, offset the effects of short-term speculation and bolster Shareholders' confidence.

The Directors will decide whether to effect the purchases or acquisitions of Shares after taking into account the prevailing market conditions, the financial position of the Group and other relevant factors. Share purchases or acquisitions will only be made if the Directors believe that such purchases or acquisitions would benefit the Group.

LETTER TO SHAREHOLDERS

2.3 **Authority and Limits on the Share Buyback Mandate**

The authority and limitations placed on the purchases or acquisitions of Shares by the Company pursuant to the Share Buyback Mandate, if renewed at the EGM, are summarised below:

2.3.1 **Maximum Number of Shares**

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Buyback Mandate is limited to that number of Shares representing not more than 10% of the total number of issued Shares of the Company as at the date of the EGM at which the renewal of the Share Buyback Mandate is approved. Any of the Company's Shares held as treasury shares shall be disregarded for the purposes of computing the 10% limit.

2.3.2 **Duration of Authority**

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the EGM at which the renewal of the Share Buyback Mandate is approved up to:

- (a) the date on which the next Annual General Meeting of the Company is held or required by law to be held; or
- (b) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by the Company in general meeting; or
- (c) the date on which purchases or acquisitions of Shares pursuant to the Share Buyback Mandate are carried out to the full extent mandated,

whichever is the earliest.

2.3.3 **Manner of Purchases or Acquisitions of Shares**

Purchases or acquisitions of Shares may be made by way of:

- (a) on-market purchases ("**Market Purchases**"), transacted on the SGX-ST through the SGX-ST's trading system or, as the case may be, any other stock exchange on which the Shares may for the time being be listed, through one or more duly licensed stockbrokers appointed by the Company for the purpose; and/or
- (b) off-market purchases ("**Off-Market Purchases**") effected pursuant to an equal access scheme (as defined in Section 76C of the Companies Act).

The Directors may impose such terms and conditions which are consistent with the Share Buyback Mandate, the Listing Manual and the Companies Act as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. Under the Companies Act, an Off-Market Purchase must, however, satisfy all the following conditions:

- (a) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (b) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (c) the terms of all the offers shall be the same, except that there shall be disregarded:
 - (i) differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements;
 - (ii) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid; and
 - (iii) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

LETTER TO SHAREHOLDERS

Additionally, the Listing Manual provides that, in making an Off-Market Purchase, the Company must issue an offer document containing at least the following information:

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed share buyback;
- (d) the consequences, if any, of share buybacks by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (e) whether the share buybacks, if made, could affect the listing of the Shares on the SGX-ST;
- (f) details of any share buyback made by the Company in the previous 12 months (whether through Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
- (g) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

2.3.4 **Purchase Price**

The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors. The purchase price to be paid for the Shares must not exceed the maximum price (the “**Maximum Price**”) as set out below:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price of the Shares; and
- (b) in the case of an Off-Market Purchase, 120% of the Highest Last Dealt Price,

in either case, excluding related expenses of the purchase or acquisition.

For the above purposes:

“**Average Closing Price**” means (1) the average of the closing market prices of the Shares over the last 5 Market Days on the SGX-ST, on which transactions in the Shares were recorded, immediately preceding the day of the Market Purchase and (2) deemed to be adjusted for any corporate action which occurs after the relevant 5-day period;

“**Highest Last Dealt Price**” means the highest price transacted for a Share as recorded on the SGX-ST on the Market Day on which there were trades in the Shares immediately preceding the day of the making of the offer pursuant to the Off-Market Purchase; and

“**day of the making of the offer**” means the day on which the Company announces its intention to make an offer for the purchase of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.4 **Status of Purchased Shares**

Shares purchased or acquired by the Company will be deemed cancelled immediately on purchase or acquisition and all rights and privileges attached to the Shares will expire on cancellation, unless such Shares are held by the Company as treasury shares. The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are cancelled and not held as treasury shares.

LETTER TO SHAREHOLDERS

2.5 Treasury Shares

The Company may hold or deal with Shares purchased or acquired by it as treasury shares. A summary of some of the provisions on treasury shares under the Companies Act is set out below:

2.5.1 **Maximum Holdings**

The number of Shares held as treasury shares shall not at any time exceed 10% of the total number of issued Shares.

2.5.2 **Voting and Other Rights**

The Company shall not exercise any right in respect of treasury shares and any purported exercise of such right is void. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

No dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury share into treasury shares of a greater or smaller number is also permitted if the total value of the treasury shares after the subdivision or consolidation is the same as before.

2.5.3 **Disposal and Cancellation**

Where Shares are held as treasury shares, the Company may at any time but subject always to the Take-over Code:

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to any share scheme, whether for employees, directors or other persons;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as the Minister for Finance may by order prescribe.

Under the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details such as (i) the date of the sale, transfer, cancellation and/or use of such treasury shares; (ii) the purpose of such sale, transfer, cancellation and/or use of such treasury shares; (iii) the number of treasury shares which have been sold, transferred, cancelled and/or used; (iv) the number of treasury shares before and after such sale, transfer, cancellation and/or use; (v) the percentage of the number of treasury shares against the total number of issued shares (of the same class as the treasury shares) which are listed before and after such sale, transfer, cancellation and/or use; and (vi) the value of the treasury shares if they are used for a sale or transfer, or cancelled.

2.6 Sources of Funds

In purchasing or acquiring its Shares, the Company may only apply funds legally available for such purchase or acquisition as provided in the Constitution of the Company and in accordance with applicable laws in Singapore.

Under the Companies Act, a payment made by the Company in consideration of the purchase or acquisition of its Shares may be made out of the Company's profits as well as out of capital, so long as the Company is solvent.

The Company intends to use the Group's internal resources to finance its purchases or acquisitions of Shares pursuant to the Share Buyback Mandate. The amount of funding required for the Company to purchase or acquire Shares under the Share Buyback Mandate will depend on, *inter alia*, the aggregate number of Shares purchased or acquired and the consideration paid at the relevant time.

LETTER TO SHAREHOLDERS

2.7 Financial Effects

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Buyback Mandate will depend on, *inter alia*, the number of Shares purchased or acquired, the price paid for such Shares, whether the Shares are purchased or acquired out of profits and/or capital of the Company and whether the Shares purchased or acquired are held by the Company as treasury shares or cancelled.

The financial effects on the Company and the Group, based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2015, are based on the assumptions set out below.

2.7.1 **Number of Shares Acquired or Purchased**

As at the Latest Practicable Date, the total number of issued and paid-up Shares of the Company is 533,741,999, of which 1,001,000 Shares are held by the Company as treasury shares. Assuming:

- (a) no further Shares are issued;
- (b) no further Shares held by the Company as treasury shares are transferred pursuant to the Company's employees' share schemes; and
- (c) no further Shares are purchased or acquired by the Company and no Shares purchased or acquired by the Company are held by the Company as treasury shares,

on or prior to the EGM, not more than 53,274,100 Shares (representing 10% of the 532,740,999 Shares in issue (excluding Shares held by the Company as treasury shares)) as at that date may be purchased or acquired by the Company pursuant to the proposed Share Buyback Mandate.

2.7.2 **Purchase or Acquisition made out of Profits and/or Capital**

Under the Companies Act, the Company may purchase or acquire its Shares out of its profits and/or capital so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (which shall include any expenses (including brokerage or commission) incurred directly in the purchase or acquisition of Shares) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, this will not reduce the amount available for the distribution of cash dividends by the Company.

(a) **Purchases or Acquisitions made entirely out of capital**

The financial effects on the purchase or acquisition of Shares by the Company made entirely out of capital are based on the purchase or acquisition of 53,274,100 Shares.

In the case of Market Purchases by the Company made entirely out of capital and assuming that the Company purchases or acquires 53,274,100 Shares at the Maximum Price of S\$0.240 for each Share (being the price equivalent to 5% above the average of the closing market prices of the Shares over the last 5 Market Days on the SGX-ST, on which transactions in the Shares were recorded, immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 53,274,100 Shares is S\$12,786,000 (rounded to the nearest thousand).

LETTER TO SHAREHOLDERS

In the case of Off-Market Purchases by the Company made entirely out of capital and assuming that the Company purchases or acquires 53,274,100 Shares at the Maximum Price of S\$0.276 for each Share (being the price equivalent to 20% above the highest price transacted for a Share as recorded on the SGX-ST on the Market Day on which there were trades in the Shares immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 53,274,100 Shares is S\$14,704,000 (rounded to the nearest thousand).

(b) ***Purchases or Acquisitions made entirely out of profits***

Based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2015, the Company has distributable reserves of approximately US\$8,781,000. The financial effects on the purchase or acquisition of Shares by the Company made entirely out of profits are based on the utilisation of funds of up to US\$8,781,000.

In the case of Market Purchases by the Company made entirely out of profits and assuming the use of distributable reserves of the Company of up to US\$8,781,000 for the purchase or acquisition of Shares at the Maximum Price of S\$0.240 or US\$0.171 (based on the exchange rate of S\$1.4057 to US\$1.0000) for each Share (being the price equivalent to 5% above the average of the closing market prices of the Shares over the last 5 Market Days on the SGX-ST, on which transactions in the Shares were recorded, immediately preceding the Latest Practicable Date), the maximum number of Shares (rounded up to the nearest 1,000 Shares) which can be purchased or acquired by the Company is 51,351,000 Shares representing approximately 9.64% of the total number of Shares in issue as at the Latest Practicable Date.

In the case of Off-Market Purchases by the Company made entirely out of profits and assuming the use of distributable reserves of the Company of up to US\$8,781,000 for the purchase or acquisition of Shares at the Maximum Price of S\$0.276 or US\$0.196 (based on the exchange rate of S\$1.4057 to US\$1.0000) for each Share (being the price equivalent to 20% above the highest price transacted for a Share as recorded on the SGX-ST on the Market Day on which there were trades in the Shares immediately preceding the Latest Practicable Date), the maximum number of Shares (rounded down to the nearest 1,000 Shares) which can be purchased or acquired by the Company is 44,801,000 Shares representing approximately 8.41% of the total number of Shares in issue as at the Latest Practicable Date.

2.7.3 ***Illustrative Financial Effects***

For illustrative purposes only, based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2015, the assumptions stated above and assuming the purchases or acquisitions of Shares by the Company are funded solely from internal resources and the transaction costs incurred for the purchases or acquisitions of the Shares are insignificant and are ignored, the effects of such purchases or acquisitions of Shares by way of Market Purchases and Off-Market Purchases on the financial positions of the Company and the Group under each of the Scenarios A to D described below are as follows:

LETTER TO SHAREHOLDERS

(a) Scenario A: Market Purchases of 51,351,000 Shares made entirely out of profits and held as treasury shares

As illustrated under Scenario A in the tables above, such purchase of Shares will have the effect of reducing the working capital and NTA of the Company and of the Group by the US\$ value of the Shares purchased. The consolidated NTA per Share of the Group as at 31 December 2015 will also decrease from 23.84 US cents to 22.19 US cents.

Assuming that the purchase of Shares had taken place on 1 January 2015, the consolidated diluted EPS of the Group for the financial year ended 31 December 2015 would remain unchanged at 0.04 US cents per Share notwithstanding the reduction in the number of issued Shares. No adjustments have been made to take into account foregone interest income as a result of the use of funds for the purchase of Shares.

(b) Scenario B: Market Purchases of 53,274,100 Shares made entirely out of capital and held as treasury shares

As illustrated under Scenario B in the tables above, such purchase of Shares will have the effect of reducing the working capital and NTA of the Company and of the Group by the US\$ value of the Shares purchased. The consolidated NTA per Share of the Group as at 31 December 2015 will also decrease from 23.84 US cents to 22.13 US cents.

Assuming that the purchase of Shares had taken place on 1 January 2015, the consolidated diluted EPS of the Group for the financial year ended 31 December 2015 would remain unchanged at 0.04 US cents per Share notwithstanding the reduction in the number of issued Shares. No adjustments have been made to take into account foregone interest income as a result of the use of funds for the purchase of Shares.

(c) Scenario C: Market Purchases of 51,351,000 Shares made entirely out of profits and cancelled

As illustrated under Scenario C in the tables above, such purchase of Shares will have the effect of reducing the working capital and NTA of the Company and of the Group by the US\$ value of the Shares purchased. The consolidated NTA per Share of the Group as at 31 December 2015 will also increase from 23.84 US cents to 24.56 US cents.

Assuming that the purchase of Shares had taken place on 1 January 2015, the consolidated diluted EPS of the Group for the financial year ended 31 December 2015 would remain unchanged at 0.04 US cents per Share notwithstanding the reduction in the number of issued Shares. No adjustments have been made to take into account foregone interest income as a result of the use of funds for the purchase of Shares.

(d) Scenario D: Market Purchases of 53,274,100 Shares made entirely out of capital and cancelled

As illustrated under Scenario D in the tables above, such purchase of Shares will have the effect of reducing the working capital and NTA of the Company and of the Group by the US\$ value of the Shares purchased. The consolidated NTA per Share of the Group as at 31 December 2015 will increase from 23.84 US cents to 24.59 US cents as a result of the reduction in the number of issued Shares.

Assuming that the purchase of Shares had taken place on 1 January 2015, the consolidated diluted EPS of the Group for the financial year ended 31 December 2015 would remain unchanged at 0.04 US cents per Share notwithstanding the reduction in the number of issued Shares. No adjustments have been made to take into account foregone interest income as a result of the use of funds for the purchase of Shares.

LETTER TO SHAREHOLDERS

SHAREHOLDERS SHOULD NOTE THAT THE FINANCIAL EFFECTS SET OUT ABOVE ARE PURELY FOR ILLUSTRATIVE PURPOSES ONLY (BASED ON THE AFOREMENTIONED ASSUMPTIONS). IN PARTICULAR, IT IS IMPORTANT TO NOTE THAT THE ABOVE ILLUSTRATIONS ARE BASED ON HISTORICAL FIGURES FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2015 AND ARE NOT NECESSARILY REPRESENTATIVE OF FUTURE FINANCIAL PERFORMANCE.

Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 10% of its issued Shares (excluding any Shares held by the Company as treasury shares), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of its issued Shares (excluding any Shares held by the Company as treasury shares). In particular, the Directors do not intend to exercise the Share Buyback Mandate to such an extent if such exercise would materially and adversely affect the liquidity and/or the orderly trading of the Shares and/or the financial position of the Group and/or result in the Company being delisted from the SGX-ST. Further, the Company may cancel all or part of the Shares purchased or hold all or part of the Shares purchased in treasury.

2.8 Taxation

Shareholders who are in doubt as to their respective tax positions or the tax implications of Share purchases by the Company, or, who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.

2.9 Take-over

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

2.9.1 ***Obligation to make a Take-over Offer***

If, as a result of any purchase or acquisition by the Company of the Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code.

2.9.2 ***Persons Acting in Concert***

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert with each other:

- (a) the following companies:
 - (i) a company;
 - (ii) the parent company of (i);
 - (iii) the subsidiaries of (i);
 - (iv) the fellow subsidiaries of (i);
 - (v) the associated companies of any of (i), (ii), (iii) or (iv);
 - (vi) companies whose associated companies include any of (i), (ii), (iii), (iv) or (v); and
 - (vii) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights; and

LETTER TO SHAREHOLDERS

- (b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

For the above purpose, a company is an associated company of another company if the second-mentioned company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company.

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

2.9.3 **Effect of Rule 14 and Appendix 2**

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or, if such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of 6 months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of 6 months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buyback Mandate.

Based on the Register of Substantial Shareholders of the Company as at the Latest Practicable Date as set out in Clause 3 of this Circular, the Directors are not aware of any of the Substantial Shareholders of the Company who would become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code if the Company undertakes, as permitted by the proposed Share Buyback Mandate, share purchases up to the maximum limit of 10% of its Shares (excluding any Shares held by the Company as treasury shares) as at the Latest Practicable Date.

Shareholders who are in doubt as to their obligations, if any, to make a take-over offer under the Take-over Code as a result of any purchase of Shares by the Company should consult the Securities Industry Council and/or their professional advisers at the earliest opportunity.

2.10 **Details of Previous Share Buybacks**

The Company had not undertaken any purchases or acquisition of Shares in the last 12 months prior to the Latest Practicable Date pursuant to the Share Buyback Mandate approved by the Shareholders at the 2015 EGM.

2.11 **Listing Status**

The Listing Manual requires a listed company to ensure that at least 10% of the total number of issued shares (excluding treasury shares, preference shares and convertible equity securities) in a class that is listed is at all times held by the public.

The expression "public" is defined under the Listing Manual as persons other than (a) the directors, chief executive officer, substantial shareholders or controlling shareholders of the listed company or its subsidiaries and (b) the associates (as defined in the Listing Manual) of the persons described in paragraph (a) herein.

LETTER TO SHAREHOLDERS

As at the Latest Practicable Date, there are 186,814,800 Shares in the hands of the public, representing 35.07% of the total number of issued Shares of the Company (excluding the Shares held in treasury). Assuming that the Company purchases up to the full 10% limit pursuant to the Share Buyback Mandate from the public on the Latest Practicable Date, the number of Shares in the hands of the public would be reduced to 133,540,700 Shares, representing 27.85% of the issued Shares of the Company (excluding the Shares held in treasury).

Accordingly, the Company is of the view that there is a sufficient number of Shares (excluding the Shares held in treasury) held by public shareholders which would permit the Company to undertake purchases or acquisitions of its Shares up to the full 10% limit pursuant to the proposed Share Buyback Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

2.12 No Purchases during Price Sensitive Developments

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase of Shares pursuant to the Share Buyback Mandate at any time after a price-sensitive development has occurred or has been the subject of a consideration and/or a decision of the Board until such price-sensitive information has been publicly announced. In particular, the Company will not purchase or acquire any Shares during the period of 1 month immediately preceding the announcement of the Company’s full-year results, and the period of 2 weeks immediately preceding the announcement of the Company’s financial statements for each of the first three quarters of its financial year.

2.13 Reporting Requirements

Under the Listing Manual, any purchases or acquisitions by the Company of its Shares pursuant to the Share Buyback Mandate must be reported by the Company to the SGX-ST not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase of any of its Shares; and
- (b) in the case of an Off-Market Purchase, on the second Market Day after the close of acceptances of the offer.

Such announcement (which must be in the form of Appendix 8.3.1 of the Listing Manual) shall include, *inter alia*, details of the total number of Shares authorised for purchase, the date of purchase, the total number of Shares purchased, the number of Shares cancelled, the number of Shares held as treasury shares, the purchase price per Share or the highest and lowest price per Share (as applicable), the total consideration paid for the Shares (including stamp duties and clearing charges), the number of Shares purchased as at the date of the announcement (on a cumulative basis), the number of issued Shares (excluding treasury shares) after purchase and the number of treasury shares held after purchase.

Under the Companies Act:

- (a) within 30 days of the passing of a resolution to approve or renew the Share Buyback Mandate, the Directors shall lodge with the Registrar a copy of the resolution;
- (b) the Directors shall lodge with the Registrar a notice (in the prescribed form) of a purchase or acquisition of Shares within 30 days of such purchase or acquisition; and
- (c) within 30 days of the cancellation or disposal of treasury shares in accordance with the Companies Act, the Directors shall lodge with the Registrar a notice of the cancellation or disposal with such particulars as may be required in the prescribed form.
